

Buckridge Community Association AGM January 21 2023

Meeting Called To Order By Dave Wall At 7:26pm

In Attendance; Jan Kamp, Arnold Darling, Dave Wall, Zach Falkenstein, Rosie Wall, Kim Hohmann, Sayla Renker, Luke Hohmann, Robyn Jackson

Election of Officers

- Luke Hohmann elected as president
- Arnold Darling elected vice president
- Robyn Jackson re-elected secretary
- Sayla Render re-elected treasurer
- Directors; Zach Falkenstein, Kim Hohmann, Dave Wall, Rosie Wall, Jan Kamp, Teresa Smith

Treasurers Report

- Balance- 3297.17
- Approximately \$1000 may need to go towards outstanding costs depending on how much of the remaining NDIT grant instalment gets approved.

NDIT Grant update

- They have our paperwork but have not processed it yet. Once they process it, we should get our final grant instalment which will be used to pay outstanding building costs.
- Grant total was \$39427.14, the project total was \$45 128.86, the difference was paid using community association funds
- The costs of the project went towards electrical materials, building materials, building demo, contingency, contractor fees, gravel, concrete, rebar, labour and finishing, tool rental, hydro connection fees

Goals For Building and Ground Upgrades 2023

- Ground work, even things out, make a place for baseball field, possibly build a fence. We will make a plan once we know how much funds we have left after paying outstanding building costs. The consensus is that we should work on levelling out the grounds this year and next year build a fence along the road. Use some of the big rocks we have on the grounds to define a parking lot. Jan may know someone that could donate fill for the ball field and will look into that. We want to make sure that when we put a plan in place when we build a ball diamond that we still have space to eventually build a riding arena.
- Kim will look into getting donations for kitchen equipment
- Call out for donations to community members of good working; Fridge, Stove, cupboards, ect.
- Priority- We need to put some wire up on the eaves and trusses to keep birds out.

Events

- **Event Planning Meeting March 11 2023 at Sayla's house 7pm**
- **Grand Opening-** Tentative date Saturday June 17th 2023, Dinner and dance. We will have a meeting to plan. We will meet March 11
