**Reports and Old Business**

**1. Treasurer Report**

- The money from the table and chair grant has been deposited
- Current Balance- \$9441.13
- Signing authority is Teresa, Zach, Luke and Sayla
- We can get cheques made, 25 free and and if needed we can get more- Sayla will pick up
- In the future Sayla would like a picture of receipts, and we can still give her physical copy when we see her
- After we pay for the tables and chairs, and screws we will have \$4684.33 remaining

**2. Table and chairs**

- Quote \$4750 from Canadian tire, 8 foot tables and chairs
- We have a grant for \$2500
- Teresa will watch the Canadian tire flyers for the next few weeks and ask to see if they are going on sale soon
- We do not have to turn in receipts but we do have to promote community futures on webpage and Facebook page

**3. Fire Suppression Equipment**

- Dave will look into fire suppression equipment
- We might store it in the pump shed

**4. Fencing Supplies**

- Luke has all the rails, posts and gate and they are paid for
- Has ordered the screws, cost \$436.80

- A few days before the fence workbee Luke will go with the skid steer and do the ground work

## **5. Well Drilling**

- No phone calls have been made yet about well drilling
- Defer to next meeting

## **6. Playground Equipment**

- There are no playground equipment and baseball backstop from the school district
- The city has removed all baseball backstops and none are available
- Anything that the city doesn't have a use for they sell on the site government.deal
- Discussion about whether we would consider building our own baseball backstop, we will bring up again at a later date

## **7. West Fraser Fundraiser**

- Kim has applied but hasn't yet heard back if we have been approved
- If we are approved the deadline for using the 2 tickets worth \$4500 is quite small
- Discussion on putting a plan in place so when and if it is approved we are ready to start
- Printing tickets would probably cost about \$200
- We will sell them for \$20 and only sell 250
- Sayla makes a motion that it would only be president, vice president, treasurer and secretary, of the executive excluded from buying tickets for the draw, directors are eligible to buy tickets; Teresa seconded, All in favour.
- Teresa will oversee the ticket book sales
- Sayla will get the gaming license once we are approved

## **8. Insurance**

- Bouchie lake is in municipal so all their insurance falls under that umbrella
- Mclease lake \$1200 a weekend rental and \$9000 a year for insurance. They have many more amenities than us.
- Teresa will contact Sage Gordon about Baker Creek Insurance
- Hub insurance has been recommended by several associations
- Luke will get quote from Rick Alchtsen at Hub insurance for community insurance, directors insurance, what is recommended for director liability, single event insurance, and archery night insurance
- The most economical way of organizing insurance might be director insurance, having waivers for renters and giving the option of individual event insurance

## **9. Plaques**

- Teresa has had the plaques made for Joe Brown and Judith Redekop
- Joes will go on the cabinets and Judiths will go outside on the community grounds somewhere

## **10. Chair Rental Agreement**

- Luke will follow up with Jonathan on this.
- Hanna and Chase might want to rent tables and chairs on August 31st.

## **New Business**

### **1. Thanking our sponsors and grants**

- Kim will thank sponsors on Facebook page
- Robyn will add sponsors and grants to webpage

### **2. Renting out the grounds**

- A community member is interested in renting the grounds this summer.
- Luke will get a quote for one time single event insurance before we fine tune rental costs
- Robyn will ask the interested community member how many people they are planning on having attend and let them know that we are looking into insurance cost.

### **3. Guest speaker from the conservative part**

- Elizabeth Wilson campaign manager from the conservative party
- Discussion by directors about organizing a night to hear all the different political parties platforms.

### **4. Events, Activities and Workbees this Spring**
